A Gathering of Love

Gathered together from near and far,
Families have come to where memories are.
Weaving a tale of joy and fun,
Uniting together as one.

Grandmas and grandpas, moms and dads,
Siblings, cousins – a house full of guests.
All of them share stories of old,
Recalling times before they were told.

Of childhood mischiefs and sibling fights,
And laughter that echoed through the nights.
Of heartfelt tears and tender hugs,
Of stories and moments that never grow old.

Aunts and uncles, nieces and nephews,
Playing games, sharing jokes, and cooking
stews.
Each family bringing its own unique flair,
With food, traditions, and clothes to wear.

Stories of ancestors passed on,
Lessons and truths that will never be gone.
Looking to the past with appreciation,
Celebrating the present – a true indication.

As we gather to share love and time,
We acknowledge those who made us shine.
Guiding us with their strength and grace,
Showing us how to embrace life with grace.

Our family bond is our source of pride,
A priceless gift we hold inside.
A gathering of love we'll never forget,
Filled with joy, laughter, and love – our family set.
