The Power of Us
Benjamin Sampson Augustine

Family Reunion 2026 – Atlanta, Georgia

In the heart of the South, where the skyline meets soul,
In Atlanta, where our stories are bold—
We gather as one, from near and afar,
Bound not by distance, but by who we are.

From Benjamin's strength to Sampson's pride,
and Augustine's grace that walks by our side.
Three pillars of legacy, rooted and true,
A powerful bond in all that we do.

Roots planted deep, branches reaching high,
A legacy of love no time can deny.
Through trials and triumphs, we've weathered it all,
Standing together, we answer the call.

We honor our elders, our jewels shining bright,
Seventy years strong, still guiding our light.
Their wisdom, their prayers, the paths that they paved,
Are treasures of truth that time never fades.

To the young ones among us, with dreams in their eyes,
You carry tomorrow—your future will rise.
With courage and vision, go boldly and see,
The power you hold in unity.

We celebrate milestones, achievements, and more,
From caps in the air to new business doors.
Each victory shared is a win for us all,
Together we stand, together we ball.

From laughter at cookouts to stories retold,
From hugs that feel like home to hands we hold—
This is our power, steady and true,
A family united in all that we do.

So here in this moment, let the world see,
What happens when love becomes legacy.
One family, one bond, one truth we trust—
Forever connected...

In the Power of US!...*Benjamin Sampson Augustine*
