THE POWER OF PRAYER

POWER OF PRAYER INITIATIVE

Our ancestors prayed and the BSA Family has a rooted history in their faith and belief in God has extended to the Power of Prayer initiative. Our quarterly conference call is lead by our beloved BSA Jewels. A family that prays together stays together...speaks to the notion that prayer strengthens the bonds within the family. With that bond grows unconditional love. More than ever today our families need to be surrounded and upheld by a power that is greater than our own. PRAYER and FAITH in GOD is that POWER to unlock doors and to give thanks for blessings received in adoration to God. A family that prays together can be an unstoppable force for good, bringing God's answers to impossible situations. There are benefits of praying together as a family:

IT STRENGTHENS FAMILY TIES

The glue that holds a family together is relationship – relationship with God and with each other. Praying together as a family is important because it offers an intentional time of connectivity.

IT PROTECTS

When we pray important to ask for His protection over your family every day.

IT STRENGTHENS COMMUNICATION

Communication is a key aspect of relationships, and prayer is how we communicate with God. The more we pray together as a family, the easier the communication with each other will become.

IT HEALS

Prayer heals. Studies show that those who pray are emotionally and physically healthier than those who don't. Prayer helps those who are suffering from depression, anxiety and even terminal illnesses. There is power in praying for and with our family, especially when they are hurting.

The BSA Family has confidence that if we ask anything according to His will, He hears us and will answer. We will continue this initiative as we ask, knock and seek His will for our family.

The BSA Family has confidence that if we ask anything according to His will, He hears us and will answer. We will continue this initiative as we ask, knock and seek His will for our family.

GIVE THE CHANGE YOU WANT TO SEE

POWER OF CHANGE INITIATIVE

The BSA Family Power of Change initiative is a great way for us to institute change. Small change can lead to big changes. The idea that small change – the extra coins lying around, under couch cushions, in between the seat of the car, coat pockets, junk drawers – can be used to make big changes within our BSA Family. This initiative was designed to focus on the family having fun while saving and giving to a worthy cause. The funds collected will be used to establish a general fund that will be used to purchase cards, floral for the bereaved family, annual website fee, first aid kit and miscellaneous items deemed necessary by the executive board. our youth and entire family to participate in saving and giving to a worthy cause. Many of you were so willing to accept a BSA change jar and your participation is greatly appreciated! This fun filled project will allow us to establish a BSA general fund account.

GUIDELINES:

1. Save change in a jar or item of your choice.
2. Change should be saved for a year and turned into the BSA treasurer at each family reunion.

3. It should be wrapped and calculated prior to the reunion and placed in zip lock bags with your name, address, contact phone number, email address and total amount turned in. Our treasure and financial secretary will assist with this process and provide a receipt.
4. A general fund account will be established, and funds will be deposited by the BSA treasurer.
5. The individual family that raise the most change will receive a gift on behalf of the BSA Family Power of Change initiative.

If you would like to ignite change...take action!

Ready to go to the next step?

Send email to agenus1899@gmail.com to request your picture to place on your jar as a reminder of where we have come from and where we are going.

Donations received will make an immediate impact on our ability to afford us the opportunity to grow together, share together, look back together and look forward together and ignite CHANGE together!
